

Owariasahi City How to Separate and Dispose of Waste

○ Put out waste items at the designated collection location in the morning (by 8:00 a.m.) of the collection day.

* Waste collection is also available on public holidays.

Please be careful not to inconvenience your neighbors by making a loud noise when putting out waste items (cans and bottles, in particular).

○ Keep collection locations clean in cooperation with other users.

○ For used paper and other recyclables, also use recycling services organized by a local kids' club (*kodomo-kai*), neighborhood association or other local organization.

○ In stormy weather, including a typhoon or heavy rain, the collection time may be changed and baskets for can/bottle collection may be placed on the day of collection.
